Indicate below the number of Barden "Ten-O-Six" digital
video jukeboxes you'll need during the first half of 2007 !

NUMBER: _____

(OPERATOR TO PROVIDE SHIPPING INSTRUCTIONS EARLY 2007)

"A" Order/Receive 1 or More: Instead of the standard two 15-second ad commercials, you receive FOUR. Double! Each commercial should generate \$75 to \$100 each month. Sign up four local ad accounts, and that adds up to about \$4000 per jukebox per year, a revenue stream you never had before. In fact, the "Ten-O-Six" gives you six revenue streams, most of any coin-op products.

"B" Order/Receive 6 or More: In addition to the additional revenue listed in "A", you receive FREE hotel accommodations; one guest room for 3 nights (Sept. 26th - 28th, 2007) for the next AMOA expo. You'll be staying at Fitzgerald's Casino Hotel on Fremont Street, Las Vegas.

"C" Order/Receive 8 or More: With this commitment, Barden will place (and pay for) a local newspaper ad, one Friday each month, for the following 12 months. This program satisfies two objectives . . . it advertises your company and encourages the readership to visit your "Ten-O-Six" jukebox locations. Add this valued exposure to the above benefits listed in "A" and "B".
